:rabbit: • :hatching_chick: *[]L-> %Great day ARMYs! Welcome aboard to this blog~ Today/tonight, in case you haven't heard of it yet which I am pretty sure you did. "BigHit" just posted the L & F versions of this comeback's concept photos. %The album will be divided into four different versions with 4 different concepts as well but, with the same songs included. It will be divided into~S, E, L, F. %Last time, they already posted the S and E versions. So today, the L and F are the only ones remaining. Note: I'll still be including the other two versions. %In the past 2 LY albums which were LY Her and LY Tear, they were both also divided into-4 versions. :arrow_right_hook: LY Her: L, O, V, and E :arrow_right_hook: LY Tear: Y, O, U, and R (Now with LY Answer, we have) :arrow_right_hook: LY Answer: S, E, L, and F %When all the albums are combined, it will form the word, "Love Yourself". [] :hatching_chick: • :rabbit: :[] :cherries: || S Versionnote:Because of the photo limit, I can't post the S and R photos individually. So, I just compiled them together into collages. Please understand. But! Don't worry 'cause I'll be putting the links of the original post so that you can save the actual photos with better quality there. ^~^Link to tweet: Part 1 and Part 2Link to FB post: Click :apple: || E VersionLink to tweet: Part 1 and Part 2Link to FB post: Click :strawberry: || L VersionLink to tweet: Part 1 and Part 2Link to FB post: Click %*Group Photo*RM"Jin"Suga"J-Hope"Jimin"V"Jungkook" :tomato: || F VersionLink to tweet: Part 1 and Part 2Link to FB post: Click %*Group Photo*RM"Jin"Suga"J-Hope"Jimin"V"Jungkook"~:rabbit: ~~~~~That's all for today's blog!If you made it 'til the end, thank you so much~Let's continue to support BTSand our co-ARMYs as well. Like a well-written novel having introduction, development, twists, and conclusion it shared a compelling story for two and a half years. 'ANSWER' is the final piece of the puzzle. Though it's a repackaged album, LOVE YOURSELF 結 'ANSWER' still includes seven brand-new tracks. CD A is a concept album, its sixteen tracks all connected lyrically to highlight BTS' prowess as both artists and storytellers.
